Important information regarding Picture Identification Cards

There have been news reports that terrorists may be planning to use emergency vehicles as a means to get past security lines. Emergency Medical Services Personnel are encouraged to obtain and carry their state driver's license, picture identification card that includes their certification status when operating within the commonwealth EMS System.

The Eastern PA EMS Council is certainly ready to fulfill the needs of EMS Practitioners within the Eastern PA EMS Region to assure that all practitioners have a photo ID card.

Please contact Jason Smith at the Eastern PA EMS Council at 610-820-9212 x 223 to obtain your photo ID card today. Together, we as EMS partners can assist in assuring the safety of ourselves and increase the security of EMS within the Commonwealth of Pennsylvania.
