

ED Registration Process Change for EMS

- As a part of our COVID response there have been a few minor changes in the positioning of our ED registration team (Campus Specific)
- The chart to the right outlines any pertinent changes and where ED registration staff will be located.
- Please ensure that you see our registration team to register your patients.

Please ensure you specify which EMS agency you are from. This ensures we are able to timely make any applicable follow ups.

Hospital	ED Registration Staff Location
